

Cordless hydraulic crimping tool B500-TEPD

for the installation of rail contacts for M12 bolt

Item number: B500-TEPD

Net weight: 7.1592 kg

Packing unit: 1

Article Description

Components:

- Hydraulic hand-held battery-powered press with 900 mm high pressure hose and permanently connected head
- 1 expanding mandrel OG13.2
- Gauge CAL19.20 for checking the borehole and installing the expanding mandrel
- Canvas bag
- Spare rechargeable battery Li-Ion 18V 5.2Ah
- Charging unit
- Carry strap

Technical characteristics

Battery voltage:	18V
Battery capacity:	5.2 Ah
Battery type:	Li-Ion
Weight:	4.0
