

## Hand operated mechanical tools

| Item number | Product header text             | Product description                                        | Cutting range | Max. diameter |
|-------------|---------------------------------|------------------------------------------------------------|---------------|---------------|
| D15-153     | Mechanical cable cutter D15-153 | Type D15, for cable up to max. Ø 15 mm                     | 1 - 15        | 15            |
| KT1-F       | Mechanical cable cutter KT1-F   | Type KT, with opening spring, for cable up to max. Ø 15 mm | 1 - 15        | 15            |
| KT2         | Mechanical cable cutter KT2     | Type KT, for cable up to max. Ø 25 mm                      | 1 - 25        | 25            |
| KT3         | Mechanical cable cutter KT3     | Type KT, for cable up to max. Ø 32 mm                      | 1 - 32        | 32            |
| KT4         | Mechanical cable cutter KT4     | Type KT, for cable up to max. Ø 52 mm                      | 1 - 52        | 52            |
| KT100       | Mechanical cable cutter KT100   | Type KT, for cable up to max. Ø 100 mm                     | 1 - 100       | 100           |
| KS250       | Mechanical cable cutter KS250   | Type KS, for cables 6 to 250 mm                            | 6 - 250       |               |
| KS500       | Mechanical cable cutter KS500   | Type KS, for cables 6 to 500 mm                            | 6 - 500       |               |
