

## C -Sleeve

| Item number | Main conductor (mm2) | Branch conductor (mm2) |
|-------------|----------------------|------------------------|
| C6-C6       | 2.5 - 6.0            | 1.5 - 6.0              |
| C10-C10     | 10                   | 1.5 - 10.0             |
| C16-C16     | 16                   | 1.5 - 16.0             |
| C25-C10     | 16 - 25              | 1.5 - 10.0             |
| C25-C25     | 25                   | 16 - 25                |
| C35-C16     | 35 - 40              | 1.5 - 16.0             |
| C35-C35     | 35 - 40 & 50         | 25 - 40 & 10 - 25      |
| C50-C25     | 50                   | 4 - 25                 |
| C50-C50     | 50                   | 35 - 50                |
| C70-C25N    | 63 - 70              | 1.5 - 25               |
| C70-C25N-ST | 63 - 70              | 1.5 - 25               |
| C70-C35     | 50 - 70              | 4 - 40                 |
| C70-C70     | 50 - 70              | 35 - 70                |
| C95-C35     | 95 - 100             | 4 - 40                 |
| C95-C70     | 95 - 100             | 40 - 70                |
| C95-C95     | 95 - 100             | 63 - 100               |
| C120-C120   | 110 - 125            | 25 - 125               |
| C150-C120   | 150 - 160            | 25 - 125               |
| C150-C150   | 150                  | 63 - 150               |
| C185-C95    | 185                  | 16 - 100               |
| C185-C185   | 120 - 185            | 120 - 185              |
| C240-C120   | 150 - 240            | 95 - 120               |
