

Isolated hydraulic tools

Item number	Product header text	Product description	Crimping range	Crimping type	Crimping force (kN)
ME5-KV	Mechanical crimping tool ME5-KV, insulated	Type ME, for parallel connectors and non-insulated cable lugs	6 - 25	  	
HT51-KV	Hydraulic crimp tool HT51-KV, insulated	Type HT, for cable lugs and connectors	6 - 240		50
HT120-KV	Hydraulic crimp tool HT120-KV, insulated	Type HT, for cable lugs and connectors	10 - 400		120
B500-KV	Cordless hydraulic crimping tool B500-KV, insulated - 18V	Type B, for cable lugs and connectors	10 - 240		63
B1300-C-KV	Cordless hydraulic crimping tool B1300-C-KV, insulated - 18V	Type B, for cable lugs and connectors	10 - 400		132
B1350-C-KV	Cordless hydraulic crimping tool B1350-C-KV, insulated - 18V	Type B, for cable lugs and connectors	10 - 400		132
